

# The Dorris-Eaton School

## *Summer 2023* Preschool Enrichment Workshops

The Dorris-Eaton Preschool's *Summer 2023* offers a summer program for three and four year olds entering preschool in the fall. *Summer 2023* is designed to enrich academic, classroom, and social skills.

Children build an expressive vocabulary and review the basics of phonics and math. As they cut, paint, color, and print, they fine-tune their small motor skills. Listening, observing, organizing, and following directions are woven into every activity. While playing on the school's park-like playground, students will develop and exercise their large-motor skills.

Each student is required to have a signed Assumption of Risk and Waiver of Liability Relating to Corona Virus/COVID-19 on file in order to attend classes.

Adventure Day Camp will offer camps and extended care on our San Ramon campus from June 12 through August 4. The camp is open to four year olds through eighth graders. Regular camp hours are from 9 A.M. to 4 P.M. with extended care starting at 8:30 A.M. and closing at 5 P.M. Anyone who is enrolled in Enrichment Workshops provided by The Dorris-Eaton School and is interested in a camp experience should contact Adventure Day Camp for details. Registration for camp and/or extended care is done only through Adventure Day Camp at [www.adventuredaycamp.com](http://www.adventuredaycamp.com).
