The deposit remains non-refundable. I/We understand that no portion of the tuition for the summer program will be refunded if the student is absent, suspended, withdrawn, dismissed, or otherwise should fail to complete the summer program. I/we understand that The School retains the right to terminate enrollment in the event of non-compliance with school policies, rules, or regulations. I/we understand that infraction of school policies and rules will result in my/our child being terminated from the program and that no tuition will be refunded. A student may also be dismissed if the parents/guardians have not cooperated with The School regarding the child's discipline needs or are not following school rules. I/we understand that my/our child must be able to participate as a member of a class, handle group dynamics and be able to participate in routine school activities. I/we understand that my/our child may be dismissed if said child is unable to adjust to Dorris-Eaton and that no refunds will be made. Non-payment of fees and charges herein provided for shall also be grounds for dismissal.

\_\_\_\_ *initial* \_\_\_\_ **Arbitration**  
**In the event the parties to this Agreement have any dispute, controversy or claim arising out of or relating in any way to this Agreement, including a breach thereof, or in any way relating to the education received by a child pursuant to this Agreement ("the Dispute"), the parties shall submit the Dispute to binding Arbitration. Arbitration shall mean submission of the Dispute to the American Arbitration Association ("AAA") office located nearest to the School, for binding resolution. Any Dispute submitted to Arbitration pursuant to this Agreement shall be reviewed and determined by a single arbitrator pursuant to AAA's comprehensive arbitration rules and procedures then in effect for Commercial Arbitration, as the same may be modified herein or by written agreement of the parties, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. The arbitrator shall be chosen from AAA's panel of arbitrators, having at least ten (10) years of professional experience in the appropriate field related to the Dispute in question. The arbitrator shall be appointed within thirty (30) days after either party submits a written demand for arbitration to AAA. Discovery shall be permitted in accordance with AAA's rules for Commercial Arbitration. If an arbitration proceeding is brought pursuant to this Agreement, the non-prevailing party shall pay the costs, including reasonable attorneys' fees, incurred by the prevailing party in the arbitration. The arbitrator shall have the authority to grant injunctive relief in a form similar to that which a court of law would otherwise grant. All aspects of the Arbitration shall be treated as confidential. Neither the parties nor the arbitrator may disclose the existence, content or results of the Arbitration, except as necessary to enforce the award, turn the award into a judgment or to comply with legal or regulatory requirements. Before making any such disclosure, other than to enforce the award, turn it into a judgment or for legal or regulatory requirements, the party intending to make the disclosure shall give the other party written notice of that intention and shall afford the other party a reasonable opportunity (not less than twenty (20) days) to protect its interests.
