

The Dorris-Eaton School

Summer 2017 Preschool

The Dorris-Eaton Preschool's *Summer 2017* offers a summer program for three and four year olds entering preschool in the fall. *Summer 2017* is designed to enrich academic, classroom, and social skills.

Children build an expressive vocabulary and review the basics of phonics and math. As they cut, paint, color, and print, they fine tune their small motor skills. Listening, observing, organizing, and following directions are woven into every activity. While playing on the school's park-like playground students will develop and exercise their large-motor skills.

Summer 2017 is divided into four weekly sessions. *Enrollment is limited.*
